

Aurangabad Municipal Corporation established a small zoo during the year 1984, which was named Siddhartha Garden Aurangabad Municipal Corporation Zoo. This Zoo is located in the heart of the city near central Bus stand. The geographic location of this zoo is $19^{\circ} 52' 46''$ N, $75^{\circ} 18' 57''$ E, previously sprawled over an area of about 14 acres. After approval of its Master Plan in 2014, Land from the Garden side has been increased to 34 acres to give adequate space to enclosures of animals housed in zoo. This was approved in General Body Meeting in AMC wide resolution no.574 and dt.18.08.2009. The main purpose of establishing this zoo was to exhibit small animals and local wild animals' species like Buck, Nilgai, Sambar, civet cat, peacock w

1990s onwards, the zoo transformed to exhibit wild animals, their collection. The part of this development brought in lions and bears to the zoo. Successive development under the guidance of Central Zoo Authority, New D

As a part of zoo education and awareness creation, Municipal zoo established a small 35 mm cinema theatre, called 'Vasundhara' in year 1995 for visualizing various wildlife films. Presently it is under repair and renovation. In the same year a "Snake park" was established in the zoo with due permission from Central Zoo Authority. 10 species of snakes, which include rat snake, python, Russell's viper, cobra, common krait, trinket, earth boa etc. are under display in this snake park. The snake park is a good education centre for snake lovers. Almost 5,18,300 visitors visited this snake park in 2017.

Aviary is also developed during year 1995 for Birds and Water birds having display for species like painted stork, spoonbill, Indian peacock and egret.

Alongside to above-mentioned species, presently the zoo displays 19 species of wild animals. Being a small zoo with limited area, zoo experienced certain difficulties in animal breeding programme as well as in accommodating new animal procurements. On the other side the popularity of the zoo has increased over the years, resulting in a manifold increase in the number of visitors. To encounter these difficulties, Aurangabad zoo had decided to extend the zoo premises by incorporating space of adjoining garden for further development. The Governing body accorded permission to this decision in their meeting.

As being a zoo located centrally in city, constraints of space and pressure of locality with sound pollution and adjoining drainage line, AMC decided to relocate this zoo at Mitmita Gut No.307 on 100 acres of land 6 Km away from city allotted by Revenue Department of Govt. of Maharashtra. AMC initiated plantation on the side and initiated procedure to prepared Master Plan of Safari Park and Zoo submitted to Central Zoo Authority. As Master Plan of present Zoo is approved by CZA for the period of 2014-2024 this zoo will be relocated at new site by 2024.

MISSION

To develop an ideal zoo with a focus on protection and conservation of animals, education for visitors, through a proactive interpretation approach.

VISION

Siddharth Garden Zoo intends to generate effective awareness among the people in creating a pro-environment lobby force for protecting endangered and native animal species along with conservation of the city's rich biodiversity to encourage future development.

OBJECTIVES

The main objective of the management of zoos in the country is to aid and assist in conservation of wild animals and their habitat. The Zoo in conformity with the aforesaid trend shall work for conservation of the important species from Marathwada region specifically and Maharashtra state in principal. It will strive to achieve the following objectives;

- i. *To undertake Captive breeding and an attractive display of common and endangered species from Marathwada and Western Ghats.*
- ii. *To Educate the zoo visitors on the role of modern zoos in wildlife conservation through appropriate signage, interpretive exhibits and an effective extension literature.*
- iii. *To conduct Research on the behavioural, biological and veterinary aspects of captive animals through regular internship batches of Veterinary College students from Parbhani and Udaipur Veterinary College.*
- iv. *To sustain a lifetime*

ZOO EDUCATION

Education is an important objective of this zoo with the aim to attract, excite, enthuse, educate and aware the visiting public. Every year “Wild Life week” is celebrated at the zoo from 1st to 7th October with the help of State Forest Department. During this several competitions such as drawing, photo exhibition, poster exhibition, quizzes and rally are organized for school students.

With the support from local NGOs sapling plantation drive, plastic ban awareness, waste management and bird watching program are organized successfully to upgrade the existing knowledge of the visitors.

ZOO RULES

You are welcome in Siddharth Garden and Zoo

KINDLY OBEY THE ZOO RULES

Teasing, molesting, injuring or feeding any animals or causing disturbance to the animals by noise or otherwise or littering the grounds in the zoo is a punishable offence under the Central Govt. Wildlife Protection Act (1972), amended 1991 Section 38J.

Punishment under Section 51 (1-B) can extend upto a fine of Rs 2000/- or imprisonment up to six months or both-

1. Please take care of your children and belongings.
2. Use of plastic is banned in the zoo so please carry your eatables in cloth or paper bag.
3. Please stay on the path and in areas provided for sitting.
4. Alcohol, Gutkha and Cigarettes are not allowed in the zoo.
5. Lighting a fire or cooking food is prohibited.
6. Carrying explosives, weapons or firecrackers is not allowed in the zoo.
7. Do not disturb the environment by playing music or outdoor games instead enjoy nature and the sounds of silence.
8. Entry of pets is not allowed.
9. Causing damage to zoo property is punishable.
10. Plucking of flowers is not allowed.
11. Kindly follow the instructions posted on the signboards.
