Town Hall Aurangabad - 431001

## ASCDCL Interview Assessment Sheet for the Post of Chief Operations Manager in the City Bus Division of ASCDCL

24/05/2019

Sr. No.	Name of the Candidate	Remarks	Credentials and Experience	Understanding of job profile; Approach.	Grand Total Marks (Out of 20)
			Marks	Marks	
			(Out of 10)	(Out of 10)	
1	Anand Kumar Deo	The candidate has no experience in managing bus operations.	2	2	4
2	Avinash Eknath Pandav	The candidate has experience of working with MSRTC in different positions. He has a fair understanding of the past AMT bus operations in Aurangabad. However, his experience has been more on the mechanical and operational side with limited exposure and experience with regard to operations related policies, norms and strategy.	7	6	13
3	Prashant Bhusari	The candidate has an extensive experience with MSRTC, including nine years of experience as Divisional Controller. He has also held positions as Divisional Traffic Officer and carries interest and experience in training and development with reputed organizations like YASHADA. He also has substantial experience of framing policies and innovations along with strategies with regard to fare chart and other aspects of bus service. He has been involved with ASCDCL's City Bus Service since its inception in his capacity as Divisional Controller holding Additional Charge.	9	9	18
4	Prashant Deokar	The candidate has no experience in managing City Bus operations.	2	3	5

5	Sharad Kumar Ranchoddas Basha	The candidate has experience of working with MSRTC in different positions. While the candidate has experience as Depot Manager, Supervisor and other positions, this post requires greater experience of being able to strategize and design the entire city operations including designing innovative schemes for the operations to be successful.	6	5	11
6	Shivkant Chandrakant Deokar	The candidate seems to have a fair and comprehensive understanding of various dimensions related to city bus service. However, the candidate falls short of experience with regard to designing overall policy and strategies with regard to city bus operations.	6	6	12
