

ASCDCL Interview Assessment Sheet for the post of Joint CEO

Sr. No.	Name of the Candidate	Remarks	Credentials and Experience	Understanding Concept and Approach.	Grand Total Marks
			Marks	Marks	
			(Out of 10)	(Out of 10)	(Out of 20)
1	Smt. Anju Uppal	The candidate has rich experience in multiple development sectors such as health, education, urban housing, tribal development, gender and inclusion. Her approach is participative, and she emphasizes people's engagement as an essential parameter for success of government programs. Regarding Smart City, she feels that the program should be looked more as a process for the improving service, delivery to various sections of the city rather than as onetime program for achieving some targets.	8	9	17
2	Shri. Amit Kumar A. Rohamare	The candidate has experience at project managerial level/ CEO capacity, within and outside the country especially in oil and gas sector. He has worked with the highest levels of government and handled high net worth infrastructure projects. His experience with the local government level/ urban service delivery is little limited. Regarding Smart City, he feels that successful project management essentially requires carefully drafted tender documents.	8	7	15
3	Shri. Abhay Gupta	The candidate has experience on the financial side. Being associated with Gwalior Smart City Project, as additional CFO has some experience of the program. He also has some experience of the private sector. He has worked in multiple sectors and also has some overseas experience. Overall, he is good.	7	7	14
4	Shri. Dr. Dilip Deshmukh	The candidate is a senior administrative officer with rich experience in rural development. He has worked in various sectors such as sanitation, administration, water supply, community development etc. however, he has worked only on the rural side. He emphasizes provision of overall facility and infrastructure and e-governance as important for Smart City.	8	6	14
5	Shri. J.G. Mahale	The candidate is a senior technocrat who has got experience in the PWD section. His technical credentials are outstanding - he has worked in projects such as express highway, tourism, heritage sector etc. He gives consultancy on technical matters for various projects and is engaged with reputed engineering organization/ institutes. However, he does not possess experience of working in urban development with local government.	7	5	12
6	Shri. Maheboob Khan A. Pathan	The candidate has rich experience of working in local bodies in various departments such as town planning, land, principal secretary and also in the Hajj Committee. He has good knowledge of urban planning and has worked as trainer in AILLSG. Regarding Smart City, his understanding could be more incisive.	7	5	12
7	Shri. Dr. Shital Chand Dahale	The candidate has good educational credentials and has worked in various Smart City projects. He has experience of urban planning, water supply, IT projects. Overall approach for Smart City could have been better.	7	5	12
8	Shri. Bake L.S	The candidate is an MSW, with experience in social development, mostly at the field level. He has worked in government departments as a specialist of this field. Although, he has worked in multiple sectors such as agriculture, livelihood, housing, he does not seem to have handled projects at senior managerial level.	6	5	11
9	Shri. Nitin Gaikwad	The candidate has over 30 years of experience as an engineer in urban local body. He has worked in various sectors.	6	5	11
10	Shri. Krishana Shipkule	The candidate is an MSW with experience of working with several NGO's/ government. His strengths are capacity buildings, participative planning and people's empowerment. His experience of handling urban development project at senior level is limited.	5	6	11
11	Shri. Ansari Shaheed Mohammed	The candidate has experience in construction of various projects within the country and in Middle East. He owns a construction company. Although, he has worked in government projects, he does not seem have experience of planning and managing government project from government's side	5	5	10
12	Shri. Kumaraswamy	The candidate has experience of dealing with urban infrastructure projects at the state level of Karnataka as part of KUIDFC. He has worked in a supervisory role, handholding urban local bodies for various urban infrastructure projects in Karnataka. Experience directly working in/with local bodies is limited.	5	5	10
